<b>VINIFICATION</b>	<p>Sourced from small parcels of vines in the South of France and focus on intriguing varietals that are indigenous to that region.</p> <p>Although this wine is made with an old traditional grape variety, the vinification was carried out in a modern style. The grapes are destemmed and crushed. The fermentation is carried out at controlled temperature, around 23°C . The ageing is carried out in tanks with a small amount of French oak staves to add more complexity and roundness to the blend.</p>
<b>TASTING NOTE</b>	<p>This juicy wine has a beautiful cherry red colour. The nose shows an abundance of intense red berry fruit and hints of vanilla flavours. The palate is soft, full flavoured with a smooth easy drinking finish.</p>
